Dear Mr. Konecny:

We have completed a review of the quarterly status reports for the second quarter of 2004. According to our records, owners of the affected vehicles of safety recall 03V-080 concerning the brake system warning indicator were notified on May 12, 2003. After review of our records, it appears that we did not receive Damon Corporation's (Damon) fourth and fifth quarterly reports for this campaign.

If Damon believes that it sent in these reports, please provide copies. If your company believes that no reports are required, please explain the reason. Please provide your response by October 6, 2004.

You may fax the report to Mrs. Kelly Schuler at (202) 366-7882. If you have any questions concerning this matter, please contact Kelly at (202) 366-5227.

Sincerely,

Patricia Wallace
